WHAT IS BUSINESSLIFE?

Businesslife is a Channel-Islands based, bi-monthly business and lifestyle magazine that is distributed widely in Jersey and Guernsey and across the UK. It aims to reflect the thoughts, vision, intellect and excellence of business professionals locally and acts as a forum to send that message globally. Since its launch in 2009, however, it has become much more than that.

We run two ‘special editions’ during the year, which focus on Wealth and Funds. We also publish an annual City edition, highlighting the strong working partnership between firms in the Channel Islands and London’s Square Mile. For every issue, we provide advertisers with a detailed forward features list two months in advance, which allows them to take advantage of targeted advertising opportunities.

Running alongside the magazine is the blglobal website, which not only acts as an archive for all print copy, but is recognised as being the most up-to-date online resource for Channel Islands business news.

Advertising opportunities are available on all of these platforms.
DISTRIBUTION

Six times a year, Businesslife distributes 10,000 copies, including:

- 7,000 copies at airports, Waitrose stores and business receptions across Jersey and Guernsey
- 3,000 copies at London airports and select business locations in the City
- For the full City distribution list, please contact Carl Methven – carl.methven@blglobal.co.uk
WHAT IS CHANNEL ISLANDS AND THE CITY?

Channel Islands and the City is an annual publication that will be distributed primarily in the City of London in September 2020 and will be picked up by financial professionals.

The magazine will be published by the team behind Businesslife, the most respected business magazine in the Channel Islands, which has been running bi-monthly since 2009.

Channel Islands and the City will focus on the finance industries in Guernsey and Jersey, the relationships between the islands and the City, and the business that flows between them.

The magazine will include in-depth articles on a number of existing finance areas, such as funds, trusts, family office, private wealth, corporate and banking. It will also examine where future business may grow, not least in the area of cryptocurrencies and technology.

It aims to reflect the thoughts, vision, intellect and excellence of business professionals in the Channel Islands and act as a forum to send that message globally.

The relationship between the Channel Islands and the City has never been more important. It is the intention of this magazine to show exactly what Guernsey and Jersey have to offer.
# DISTRIBUTION

Channel Islands and the City will have a print run of 10,000 copies:

- 8,000 copies will be distributed in business locations in the City of London and select UK airport lounges
- 2,000 copies will be available in business receptions and airports in Guernsey and Jersey

ASIA EDITION

Get involved in our inaugural Asia edition, launching in November 2020

Asia Pacific has emerged as the home of some of the fastest growth in wealth ownership in recent years. Channel Islands firms have long anticipated this trend. Guernsey Finance established a representative office in Shanghai in 2007, while Jersey Finance has been promoting opportunities for the island’s finance industry in Asia since the mid-2000s and opened a Hong Kong office in 2009.

In Businesslife’s inaugural annual Asia edition, we will be exploring the needs and concerns of the growing group of Asian wealth owners, showcasing the Channel Islands’ fiduciary expertise, and highlighting Jersey’s and Guernsey’s links with the Asia Pacific market.
